● From your President:-

Hello Everyone,

I was not at the last meeting. I had a date with the Caboolture Private Hospital the following day. Many thanks to Allan for filling in for me. This is the last bulletin this year. Thanks to all who have sent me articles and helped in any way over the last 12 months. We have a great club with good people in it. Keep up the good work. We may be small but the majority of us support one another. David & I hope you all have a very happy Christmas and prosperous new year. Keep well.

See you at the January meeting.
Di

🌀 *November Meeting*

As always this is our break up meeting. It will be run the same as always. Meeting first, don't forget to bring your plants for benching, then supper and rolling raffle. The club will supply the chicken and we ask members to bring a plate also. We also would like all members to bring a rolling raffle or two to add to the ones the club purchases. Please bring something you would like to win yourself.

■ *November Picnic*

We are having a club picnic on the banks of the Pumicestone passage at Bellara on November 22nd Sunday starting around 10am with morning tea then a BBQ lunch . This is all supplied by the club. Just arrive and enjoy yourself. We are erecting a gazebo for shade. Bring a chair and your fishing line or a good book or whatever you enjoy for a day at the beach. The gazebo is being erected opposite Dolphin Street. There is plenty of room and an amenities block there. Turn right over the bridge.

■ *December NO MEETING*

■ *Sunday Workshop*

The last workshop was really enjoyable. We repotted a couple of large plants from different genera's. Ernie spoke on growing orchids on trees around the garden. We had some lively chats about different medium with more experienced growers. (as we all know everyone has a different way to pot & grow). It was a great day. Next New growers is November 22nd Sunday. This is a combined day on the waterfront with the club. See paragraph above. Hope to see everyone there.

You should be well underway with your re potting. The club bark arrived so we are all now busy. All genera can be repotted now. Do not over pot. You will get better growths from your orchids if you do not put them in too big a pot. Just 2 years growth maximum. Fertilise with high nitrogen at the moment to make them grow.

Orchid Talk

Pumicestone District Orchid Growers Workshop

Our workshop is every third Sunday of the month except December. Next workshop is October 18th . This meeting will be re potting. Last month we repotted some more tricky plants. This month will depend on how newer the grower is. Bring along any plants you are having a problem with. Please bring a plate of something for afternoon tea. Don't forget to bring some money for a raffle ticket or to buy a plant or two. Visitors most welcome. Contact Di on 54 962 861 or email sizzlin@bigpond.com for enquiries or information.

NOVEMBER MEETING WILL COINCIDE WITH THE BEACH BBQ ONE WEEK LATER AND NOT AT BEACHMERE ROAD.
