Hello Everyone,

We all had a great day on the bus trip. Ken Unsworth's bush houses are lovely, we had a nice morning tea at the Hoya Gardens, then on to Fame Orchids. Lucky Nancy won 10 x 50ml pots of different genera in a small competition they ran in the nursery. Everyone enjoyed their food at lunch time although they were a little slow and we had a lovely afternoon at Barry and Ann Kable's place. Big thank you to all businesses and all who attended.

Don't forget Bunnings BBQ on 3rd July. Helpers needed.

At the next meeting all positions become vacant. If you would like to take on a position or nominate someone the forms are in this bulletin. They must be posted to our P O Box by the 13th June.

Di.

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: 'Take only ONE . God is watching.' Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note, 'Take all you want. God is watching the apples.'

During a recent flood in a small town, a young girl and a boy were perched on top of their House. As they sat watching articles float by in the water, they noticed an old hat go past.

Suddenly, the hat turned and came back, then turned around and went downstream.. After it had gone some distance, again it turned and came back. They watched as it did this a number of times.

"Do you see that hat?" said the girl in amazement. "First it goes downstream, then turns around and comes back, then it goes back downstream and then it comes back again."

"Oh, that's nothing, it's only my dad," replied the boy. "This morning my Mum said that come hell or high water, he had to mow the lawn today."
