Hello Members,

Hope you all enjoyed Barry Kable's talk
at the last Cultural Meeting. I certainly
did. I was very interested watching him
pot up his plant and cutting the roots out
of the middle, and adding a pot. I too
like to grow specimen plants Many
thanks to Barry for attending.

We are busy getting things ready for the
show. Many thanks to my secretary
Helen. She has been sending lots of
emails and making lots of phone calls.

Di.

Cultural Meeting 23rd April

This Meeting starts at 7-30pm in the Ningi Hall. Ann Sales will be speaking to us about preparing your plants for shows and benching. Even if you don't want to show your plants by preparing them properly they are much more appealing to look at.

New Growers 15th April

At 635 Beachmere Road Beachmere. 1-30pm start. This month we are talking about Hard Cane Dendrobiums. If anyone has one in flower please bring it along. This genera needs some tender loving care in winter.

Day Meeting 9th March

At this meeting Jim Day will be talking to us about ferns. Jim grows some beautiful ferns and is very knowledgeable and very interesting to listen too. Jim will also be showing us how to re pot a fern.

Our Show

Please all members, put the weekend of the 12th 13th May in your diary to help at the show. Set up is after the Friday day meeting. Help is needed putting up the gazebos and in the kitchen. We need to make coleslaw, cut up tomatoes, lettuce etc. There are lots of jobs. Also in the hall setting up the benching tables. Please don't leave it to just the same few. Raffle sellers needed over the weekend plus BBQ cooks, kitchen duties and just general help. Please start saving plastic bags and small boxes for the sales plant stall.(corn flake, tea bag, ice block etc. small boxes)

Please Note : Providore Needed

The club is desperately in need of a Providore. Because of her husbands illness Ruth has resigned as our Providore and one is needed before the show. If you are interested please contact me and we can discuss what the Providore does for the club. Newer members interested in helping the club, this could be just the job for you.
