Congratulations all

Hello Members,

Many thanks to Nancy, Mark & Nola, Helen & Jim , Allan and David or helping at the Masters BBQ last Sunday. We had a nice day and made a nice profit.

Be careful if you are buying orchids over e bay. I have been looking for some different species lately and the photo is not necessarily the plant you will receive. Some plants are very small.

Don't forget to bring your problem plants to the meeting this Friday or I you have a lovely orchid in flower bring it along and show it off.

See you at our next meeting,

Di.

Day Meeting June 14th - 9am Ningi Hall

At this meeting Ann Sales will be speaking. Ann grows some beautiful orchids and is very knowledgeable. Well worth coming for a listen.

Don't forget to bring any plants you would like some help with.

Bus Trip

We are holding a bus trip on Friday 13th September. We need at least 35 on this bus so please bring friends with you. Members from other societies are welcome also.

We are leaving Beachmere at 8am then travelling to QOS show at Mount Cootha. After a look around the show and a spend up in the plant sales we will have morning tea of tea/coffee and biscuits. We will then leave for Pohlman's in Gatton. We have organised lunch and afternoon tea at Pohlman's. We are also having a guided tour train trip around their nursery looking from the beginning of a plant to pots of colour the other end, This should be very interesting and not something you get a chance to see often.

Cost of this bus trip is \$50.00 per person and we would like payment when you book please. This includes all meals, (morning tea, lunch and afternoon tea), entry to show and all activities at Pohlman's.

Congratulations to Peter Furniss for having another orchid awarded. This time it is *Cym. tracyanm* and Peter has named the variety 'Mary Helen'. Well done Peter.

Don't forget the club has a web site. www.pdofs.org.au. If anyone would like to add some information to this site please feel free to email it to me and I will forward it to Phillip.
